RAHUL NEGI

Data Science Aspirant

rnegi0948@gmail.com | +91 7534925201 | Dehradun, Uttarakhand

rahulnegi1 | rahulnegi001

TECHNICAL SKILLS

Python | SQL | R | Tableau | MS-Office | Database Management

INTERPERSONAL SKILLS

Team Leadership | Management | Organized | Multi-Tasking | Self Motivation | Decision Making

LANGUAGES

English | Hindi

HOBBIES

Travelling | Playing Basketball | Reading Mangas | Watching Anime

EDUCATION

M.Sc. in Data Science | Chandigarh University

Present

- GPA: 8.29

B.Sc. | DAV PG College

2021

- CGPA: 5.26

Intermediate | D.A.V. Public School

2015

- Percentage: 74.6

Matriculation | D.A.V. Public School

2013

- CGPA: 8.4

ABOUT ME

Dedicated and detail-oriented Data Science enthusiast who is keen to contribute to a cause. I am energetic and geeky individual whose desire to learn is endless.Understanding of data integrity, visualization, and statistical techniques.

CERTIFICATIONS & INTERNSHIPS

Data Science Intern | Innomatics Research Labs

16 July 2022 – 27 Oct 2022

- Learnt to perform EDA on various projects and to deploy model with different algorithms on various assignments and mini projects.

Data Science Intern | LetsGrowMore Virtual Internship Program

1st April 2022 – 1st May 2022

- Analyzed "IRIS" data-set using Random Forest Classification to find the accuracy of the model and have performed Exploratory Data Analysis on Terrorism Data-set too.

Python for Data Science, AI & Development | Coursera

May 2022

Data Science with Python | Simplilearn

May 2022

Database and SQL for Data Science with Python | Coursera

August 2022

PROJECTS

Movie Recommendation System

- Presented the EDA, code implementation of the project, proper interpretation of the results, future scope and improvements.

Diamond Price Prediction

- Building KNN Model. Serialization & De-Serialization for creating the application of the ML model.

Employment Statistics

- Exploratory Data Analysis(EDA) aspiring minds employability outcomes 2015
